2009-2010 Directory Information

Each year, Wingra School prepares a directory for the convenience and use of Wingra families. We distribute the directory early to families, so we need your information as soon as possible. **Please return this form by July 15.** This information is only used by Wingra families and is never provided to other organizations or agencies. Please indicate below how you would like your family listed in this year's directory. Please print **legibly**.

We are also sending this document out attached to an email. If you prefer to return it to as a Word document, by e-mail, please do so.
